## Dou you want to earn extra income?

### **HRFA part-time sales agents needed!**

HRFA is a successful Fraternal Life Insurance company; our headquarters is in Washington, D.C. We have a sense of fraternalism that unites us over generations. Our central goal is to spread our fraternalism across our states by providing benefits and many charitable events and activities.

HRFA continues to grow with generations of new members joining. The need for new agents has never been more important than now. By becoming an agent, you can become part of a successful organization that makes a difference in people's lives everyday.

Our most successful agents will train you on becoming a part-time agent. They will answer your questions and share with you their most successful strategies. The knowledge you will receive will make you even more confident with our products. We will constantly assist you along your way because you will be an important part of our organization. You can work from home during your spare time. You do not need a life insurance license because we are a fraternal organization. You can make extra money and get to know more people in your community.

If you feel that you are ready to join us today, please fill in the form below or call our home office (202-328-2630) so we can contact you with the right people who can begin your training right away. Our success depends on you, but first, your success depends on us!
